

User Manual for Applying for Technical Competency for Exploration License

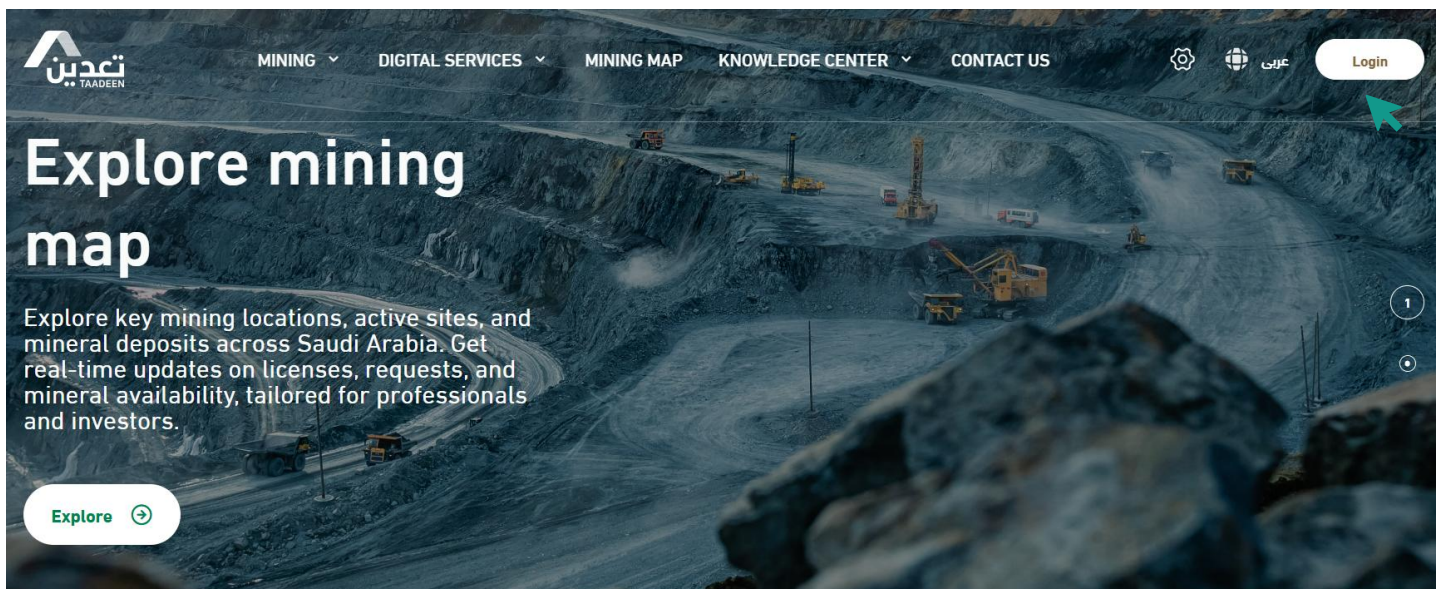

Service Description:

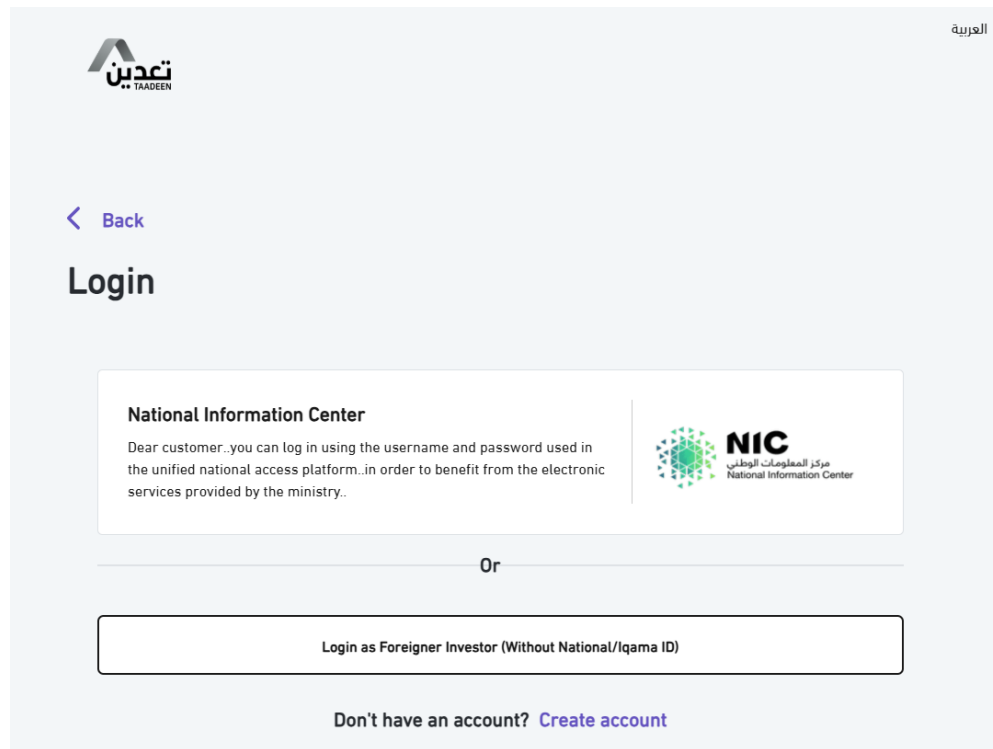

Assessment of whether the applicant possesses the technical expertise to carry out the proposed exploration activities in accordance with the requirements specified by the Mining Investment Law and its regulations.

Steps to Access the Service :

- 1- Visit [Taadeen Platform](#) and click on "Login" option.

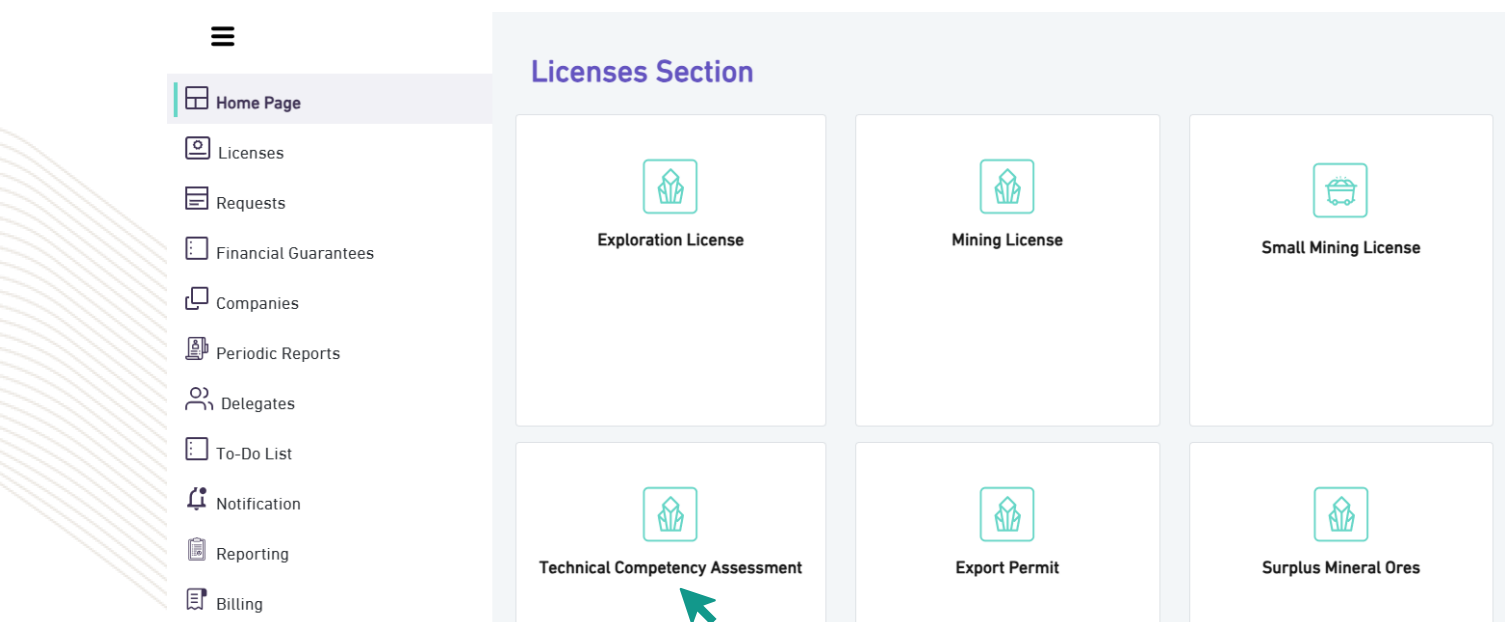

2- Log in to your account.

The screenshot shows the login interface of the TAADEEN National Information Center. At the top right, there is a link for 'العربية' (Arabic). The main heading is 'Login'. Below it, a box contains the 'National Information Center' logo and a message: 'Dear customer..you can log in using the username and password used in the unified national access platform..in order to benefit from the electronic services provided by the ministry..'. To the right of this message is the 'NIC' logo. Below the message box, there is a horizontal line with 'Or' in the center. Underneath, there is a button labeled 'Login as Foreigner Investor (Without National/Iqama ID)'. At the bottom, there is a link: 'Don't have an account? [Create account](#)'.

3- Navigate to “Technical Competency Assessment”.

The screenshot shows the 'Licenses Section' of the TAADEEN portal. On the left, there is a sidebar menu with the following items: Home Page, Licenses, Requests, Financial Guarantees, Companies, Periodic Reports, Delegates, To-Do List, Notification, Reporting, and Billing. The main content area displays a grid of license options, each with an icon and a title: 'Exploration License', 'Mining License', 'Small Mining License', 'Technical Competency Assessment' (highlighted with a green arrow), 'Export Permit', and 'Surplus Mineral Ores'.
