PART B – Prospective Bidder Information and Qualifications

Prospective Bidders must answer all questions accurately and as concisely as possible and, where a question is not relevant to the Prospective Bidder's organisation, this should be indicated, with a suitable explanation.

Please answer each of the questions below in the form requested and enclose or attach supporting documentation where relevant or necessary, cross-referencing the information back to the relevant question number. It is the Prospective Bidder's responsibility to ensure that the information referenced contains the required answer to the question.

If the Prospective Bidder is a Consortium, the following guidelines must be followed:

- The Lead Consortium Member must be clearly identified and will be responsible for submitting the information required in this section.
- Technical and financial requirements may be satisfied collectively by the Consortium Members, not necessarily by the Lead Consortium Member alone.
- Each Consortium Member contributing to satisfying the requirements should be clearly indicated, along with their specific roles and responsibilities in the Project.
- A copy of the Consortium Agreement must be submitted with the PQQ to outline the roles and responsibilities of each member.
